**Re: USA v. Joel Sujilio**  
**Docket No. 21-cr-799 (LAP)**

Colleen McMahon

Dear Judge McMahon:

Sentencing in this matter is currently set for December 13 at 3 PM. Mr. Sujilio is awaiting medical treatment for his ankle: he has a metal plate supporting it and the screws holding the plate are bending, making it difficult and painful to walk. He is concerned that he could be called at any time for the procedure, and has asked me to request an adjournment to January of 2023. I have consulted with the Government, and there is no objection to this request. For scheduling purposes, I am available from January 16-26, and again from February 13 onward. From January 30 through February 10 I will be on trial before Judge Preska. Thank you for your consideration in this matter.

Very truly yours,

  
David K. Bertan
